“ Can I have a healthy baby? ”

The booklet aims to answer many of the questions facing women with diabetes who are thinking of starting a family, or who have just found out they are pregnant.

This information booklet is a combined production by the:-

- Australasian Diabetes in Pregnancy Society,
- Diabetes Australia-Victoria and
- Reality Check-Young Adults with Diabetes

Please tell us what you think of the booklet, so we can improve future prints. ADIPS and DAV have agreed to subsidize half the printing costs to help minimize costs to our consumers. We hope Institutions will uphold the aim and provide this useful resource to women at no charge. An electronic copy of the booklet can be downloaded from the ADIPS webpage at www.adips.org
