Welcome to the ADIPS/SOMANZ Annual Scientific Meeting

The Australasian Diabetes in Pregnancy Society (ADIPS) and the Society of Obstetric Medicine of Australia and New Zealand (SOMANZ) are delighted to welcome you to Aotearoa, the land of the long white cloud, for our 2025 joint congress, themed 'Look Beyond'. Join globally renowned speakers for an exceptional conference experience designed to enhance knowledge and share the latest evidence-based insights for patient care.

Our curated program highlights the importance of multidisciplinary, holistic care in pregnancy and beyond, with a focus on the management of diabetes and a range of complex maternal medical conditions. The program is designed for allied health professionals, diabetes educators and nurses, dietitians, endocrinologists, general physicians, general practitioners, midwives, obstetricians, and obstetric medicine physicians from across New Zealand and Australia.

We look forward to welcoming you!

Pōwhiri

9:45AM – 10:35AM The Great Rooms 1 & 2

The conference will start with a welcome ceremony, a Pōwhiri.

All guests are requested to gather in the foyer area outside the Great Rooms 1&2, at 9:30am.

The Pōwhiri will start at 9:45am and will be preceded by a brief on how to participate in it. You will be guided through the various parts.

A Pōwhiri is a formal Māori ceremony of welcome. Its purpose is to acknowledge and unite manuhiri (visitors) and tangata whenua (hosts) together safely and respectfully. It is a way for the hosts to honour and care for visitors. Each stage of the Pōwhiri is governed by tikanga (customs) and kawa (protocols) determined by Ngāti Whātua, the iwi (tribe) hosting. Through these rituals, karakia (prayer), whaikōrero (speeches), waiata (song) and sharing of kai (food), the Pōwhiri lifts restrictions so that both groups can interact freely.

Dress Code: Attire that is suitable for the conference will suffice, no additional requirements.

Please familiarise yourself with the two songs below – When a lead person starts to sing these, please join in.

Waiata 1: He hōnore, he korōria

<https://youtu.be/My3E5qptjrg>

He hōnore, he korōria	Honour, glory and
Maungārongo ki te whenua.	peace to the land.
Whakaaro pai e	May good thoughts come
Ki ngā tangata katoa	to all men
Ake ake, ake ake.	for ever and ever, for ever and ever
Āmine	Amen.
Te Atua, te piringa,	The Lord is the refuge
Toku oranga.	and my life.

“Waiata 2: E Toru Nga Mea

- after the visitor response

https://youtu.be/ujkPK_NfR8U The leader sings the first line and the group repeats the line.

E toru ngā mea	There are three things
Ngā mea nui	Very important things
E kī ana	As stated in
Te Paipera	The Bible
Tūmanako	Hope
Whakapono	Faith
Ko te mea nui	And the greatest thing
Ko te aroha.	Charity/ Love

The Pōwhiri will be followed by a short tea break where we will share kai (food). We will then reconvene at 10:35am for the conference welcome speeches from the presidents of both societies followed by the plenary.
